

Give the big day some personality, let yours shine through!

On The Day Stationery

what we do

Guest Name Cards

Guest place name cards, used in the wedding breakfast to allow guests to identify their seats. Illustrated to match your theme and printed to high quality textured card before hand glittering to add a touch of sparkle. Can be made tented folded or as ribboned tickets.

Our framed illustrated wedding welcome signs are a nice addition to greet your guests. These can be placed in the ceremony room, church or drinks reception area. Illustrations could include the wedding couple or venue. Printed to high quality paper, hand glittered and gemmed to give it sparkle.

Welcome Sign

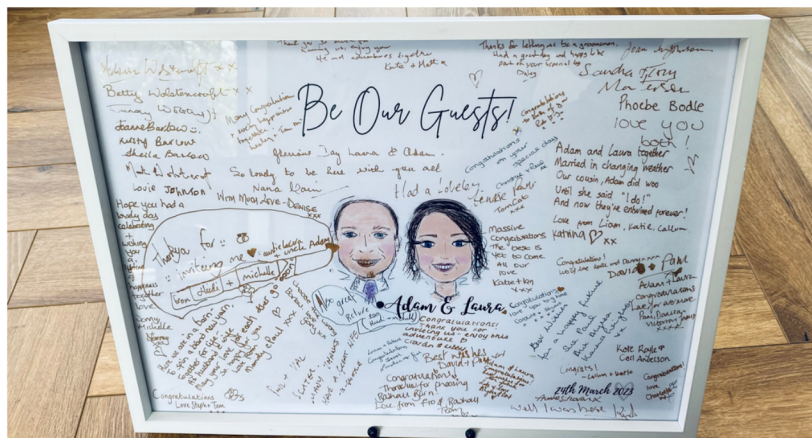

Favour Seed Packets

Our printed guest seed packets come with a number of flower options to select from. These can be matched to your colours or theme of your wedding making a nice lasting gift for guests to take away with them.

Give the big day some personality, let yours shine through!

what we do

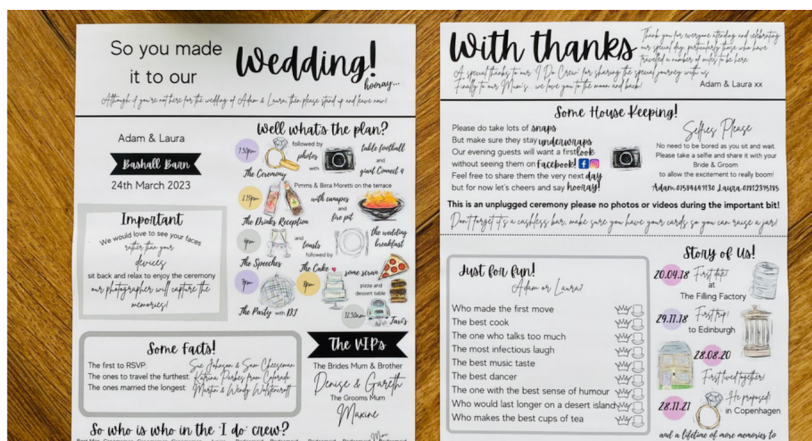

Be Our Guests

Our framed Events of the Day sign is perfect for letting your guests know your plans for the day, informing them of the essentials and looks great placed in the bar area or reception hall at your wedding. All drawn bespoke to whatever you're having, food drinks and entertainment. Printed to high quality paper, hand glittered and gemmed to give it sparkle.

The Be Our Guest frame is our eco alternative to a guest book. It saves unused pages but allows guests to wish you well, adding their names as a nice keep sake. The illustration can match your theme and after printing to card it is glittered and gemmed before framing.

Events of the Day

Ceremony Sheets

Our Ceremony Sheets are a fun, quirky ice breaker to kick start the day. Given out before the ceremony to create a talking point and some fun for your guests whilst they wait for the day to begin. Consists of fun facts about the couple, the names of the 'I do crew', social media do's don'ts and a thank you from you.

Give the big day some personality, let yours shine through!

Table Menus

These are our tent folded menus, printed both sides and created this way so they can either stand or go into a pronged stand to give them height.

I can also create individual menus if preferred. Printed to textured card before being glittered and gemmed.

Our framed seating plans can use illustrations that correspond with the table names or one illustration to match with the theme. Printed to high quality paper, hand glittered and gemmed to give it sparkle.

Sizes come as A2 standard or large 70x100cm

Seating Plans

Table Names/Numbers

These are our tent folded table names/numbers, printed both sides and created this way so that they can either stand on their own or go into a pronged stand to give them height. Illustrations to correspond with the theme. Printed to textured card before being glittered and gemmed.
